

ABHISHEK SINGH

Full-Stack Developer

Bhopal, Madhya Pradesh | abhisheksingh283420@gmail.com | +91 7470468795
LinkedIn | GitHub

Summary

Full-stack developer (fresher) with hands-on experience building 3 web applications using HTML, CSS, JavaScript, React, Node.js, and Express.js, with REST APIs and basic PostgreSQL database concepts. Backed by an engineering background in Electronics & Communication and ongoing M.Tech coursework. Quick learner, comfortable working across the stack from UI to backend logic to database.

Technical Skills

- **Languages:** JavaScript, SQL
- **Frontend:** HTML5, CSS3, React
- **Backend:** Node.js, Express.js, REST APIs
- **Database:** PostgreSQL
- **Tools:** Git, GitHub, VS Code

Projects

TaskFlow – Task Manager *HTML, CSS, JavaScript, React, Node.js, Express.js, PostgreSQL*

- Built a full-stack task manager to add, edit, delete, and tag tasks, with filtering by tag/status.
- Designed REST APIs with Express.js to handle task data and connected them to a PostgreSQL database.
- Built the frontend UI in React with components for the task list, filters, and forms.

CollabBoard – Kanban Board *HTML, CSS, JavaScript, React, Node.js, Express.js, PostgreSQL*

- Developed a Trello-style Kanban board where users can create boards, lists, and cards, and move tasks between columns.
- Implemented backend REST APIs for basic user and task management, backed by PostgreSQL.
- Built the drag-and-drop board UI with React and managed application state on the frontend.

InternHub – Student Internship Portal *HTML, CSS, JavaScript, React, Node.js, Express.js, PostgreSQL*

- Built a platform where students can browse and apply to internships, and recruiters can post listings and track applications.
- Implemented file uploads (resumes), search/filtering, and application-tracking using Express.js and PostgreSQL.
- Built the React frontend for student, recruiter, and admin views.

Education

M.Tech, Digital Communication – Bansal Institute of Science and Technology, Bhopal *2025 – Present*
Relevant coursework: Digital Communication Systems, Advanced Signal Processing, Wireless Networks, Data Communication

B.Tech, Electronics & Comm. Engineering – Bansal Institute of Science and Technology, Bhopal *2020 – 2024*
Relevant coursework: Communication Systems, Digital Signal Processing, Analog & Digital Electronics, Computer Networks

12th – Army Public School No. 2 *87%*
10th – Army Public School No. 2 *85%*

Certifications

- JavaScript Algorithms and Data Structures — freeCodeCamp (2025)
- Meta Front-End Developer Professional Certificate — Coursera (2025)
- Responsive Web Design — freeCodeCamp (2024)
- The Complete 2024 Web Development Bootcamp — Udemy (2024)
